# The Four-Factor Imagination Scale (FFIS): A measure for assessing frequency, complexity, emotional valence, and directedness of imagination

Please cite this scale as follows:

Zabelina, D. L., & Condon, D. C. (in press). The Four-Factor Imagination Scale (FFIS): A measure for assessing frequency, complexity, emotional valence, and directedness of imagination. *Psychological Research.*

**Instructions:** *"Indicate how accurately each statement is descriptive of you."*
Responses are made on a 6-point Likert-type scale: "very inaccurate", "moderately inaccurate", "slightly inaccurate", "slightly accurate", "moderately accurate", "very accurate."

| | |
|---|---|
| 1. | I am lost in imagination most of the time. |
| 2. | I find myself lost in imagination very frequently. |
| 3. | I find myself daydreaming often. |
| 4. | I spend much of my time daydreaming. |
| 5. | I get lost in my fantasies. |
| 6. | I get lost in thoughts that aren't related to what's going on around me. |
| 7. | Sometimes it is as though I wake-up from daydreaming. |
| 8. | My mind wanders in unpredictable ways. |
| 9. | I often fantasize about impossible things. |
| 10. | Imagining my future makes me feel blue. |
| 11. | I become depressed when imagining my future. |
| 12. | Imagining things in the future makes me fearful. |
| 13. | The things I imagine make me sad. |
| 14. | My fantasies lead to negative emotions. |
| 15. | I visualize negative outcomes for the future of the world. |
| 16. | My daydreams are unpleasant. |
| 17. | My fantasies are less detailed than most peoples'. (R) |
| 18. | Most people seem to have more complex imaginations than me. (R) |
| 19. | My imaginings are not very complex. (R) |
| 20. | My fantasies do not involve many details. (R) |
| 21. | I have difficulty picturing the details of a situation I have not previously experienced. (R) |
| 22. | My daydreams have a clear goal. |
| 23. | My daydreams are directed towards a specific outcome. |
| 24. | My fantasies are quite purposeful. |
| 25. | There is a purpose for my fantasies. |
| 26. | When I imagine my future, I like to plan its details. |

**Frequency** = items 1-9; **Emotional Valence** = items 10-16; **Complexity** = items 17-21; **Directedness** = items 22-26. Note that the items in the Complexity factor are all reverse scored.
