General Instructions:

This inventory asks you to report your creative activities and achievements. The inventory contains eight different domains (e.g., literature, music, and performing arts). You will be asked three questions for each of these domains.

Here is an example:

Question 1:
Specify how many times you have carried out a certain activity over the last 10 years.

Example: If you already invented your own magic trick four times, but never invented your own circus program, mark the boxes as follows:

	Never	1-2 times	3-5 times	6-10 times	More than 10 times
Made up a circus program	X				
Invented a magic trick			X		

Question 2:
In question 2, please specify the level of achievement you have attained in the particular field. You are given the same eleven choices in every domain. Please check all statements that describe your level of achievement in the whole field.

Example: If you already invented magic tricks, then you already tried this domain and produced your own original work. If you already showed them to friends but not yet to strangers, please mark the boxes as follows:

o 0. I have never been engaged in this domain
⊗ 1. I have tried this domain once.
⊗ 2. I have already created at least one original work in this domain.
⊗ 3. I have shown my original work in this domain to some friends.
o 4. I have shown my original work in this domain to strangers.
…

Question 3:
Please state for how many years of your life you have already been engaged in this domain. Consider only voluntary activities of the particular domain, and ignore any activities that you were required to do, e.g. for school.

Example – Field Humor: If you have been inventing magic tricks for 3 years and have been making up funny short stories for 5 years, your answer to this question should be: 5 years.

Top 5 Creative Achievements

Please name your overall five most creative achievements in your life so far. Select those achievements that you think will help someone else to evaluate your actual creativity. Your responses can come from domains other than those captured by the previous inventory. Start by naming your most creative achievement, then your second-most creative achievement, and so on. Describe each achievement by writing a brief sentence in the boxes below. If there are fewer than five relevant achievements, just leave the remaining boxes empty.
